Welcome To The Black Lion – New Quay

For Future Reference We Do Have Seasonal Opening Hours, So Please Check Our Website For Current Opening Hours, Especially In The Winter Months If You're Looking To Return.

The majority of our menu is Homemade from our chips, beefburgers, lasagne, black lion curry to our desserts & we do try to have a specials board where and when possible, but it is dependent on staffing especially during busier times.

We aim to change our menu around 3 times a year to incorporate the seasons and have fresh fish when available to then having our own reared lamb on the menu later in the year, again subject to availability.

We try to do our best to cater for everyone's needs & dietary requirements we do mark our menu up with gluten free, dairy free, vegetarian & vegan options, but we do ask that you let us know when ordering, or better still when you book if you have any allergies or dietary requirements.

We serve Sunday Lunch every Sunday throughout the year from 12-3pm as well as catering for seasonal parties, family gatherings and prearranged group bookings all dependant on staffing and the time of year.

Please bear with us you may have a slightly longer wait for your food during busy periods, our food is freshly prepared, and we may have staff shortages.

Just a polite reminder, we ask that children don't run through the main pub area & the dining room, And they're supervised by a responsible adult at all times when they're in the beer garden & play area
Also be aware that if the main pub front door is open then if children go out through this door, they're straight out on to the main road
